INVITATION FOR BID FOR: **PARKING LOT AND GARAGE SWEEPING SERVICES**

1.0 **INTENT:**

The intent of this Solicitation is to award a contract to the lowest, responsive/responsible contractor meeting specifications, to provide parking lot and garage power sweeping services on an as-needed basis.

Other County departments may use this contract for parking lot/garage sweeping service. Facilities Management is not responsible for contract administration for services requested by other County agencies.

2.0 **TECHNICAL SPECIFICATIONS:**

2.1 Work shall be performed during or after business hours, on weekends, or County holidays as directed by the County agency (Business hours are 6:00 AM – 6:00 PM Monday through Friday).

2.2 Contractor to furnish all labor, supervision, equipment, tools, supplies, and all effort necessary to perform sweeping services as specified herein.

2.3 Sweeping equipment used must have a power brush for sweeping and have vacuum capabilities and capable of meeting Maricopa County air pollution requirements.

2.4 **All work performed and all equipment used shall comply with Maricopa Air Quality Department Rules and Regulations.**

(http://www.maricopa.gov/aq/divisions/planning_analysis/Default.aspx).

2.5 Contactor shall power sweep and vacuum designated parking lots and garages. The work will be authorized on an as-needed basis at this time, however, the County, at its discretion, may establish routine monthly or quarterly sweeping schedules. The Contractor will be notified should any particular location be placed on a regular schedule.

2.6 **SERVICES TO PARKING GARAGES:**

2.6.1 For power sweeping, each garage shall be line item priced in Attachment A, PRICING. The power sweeping process shall be that of the same as parking lots. ~~A surcharge for sweeping services can only be levied if the garage HAS NOT been power washed within one (1) year.~~

2.6.2 **Certain garage structures will require multiple visits to completely sweep. Facilities Management (FMD) shall identify these garages when sweeping is scheduled.**

2.6.3 **Cobwebs shall be removed from interior parking garage walls to a height of eight (8) feet.**

2.7 **SERVICES TO PARKING LOTS:**

Because parking lots are not on a scheduled program at this time, the area may develop excessive dirt, and therefore require additional labor/materials to clean them. The County will compensate the Contractor a surcharge fee, based on a percentage of the parking lot cleaning base bid (See Attachment A, PRICING). This surcharge is for lots that have not been swept in six (6) months or more (See also §2.6.1).

2.6.1 **Surcharges For Parking Lots:**

A surcharge is a fee a contractor can impose if a lot has not been cleaned in some lengthy time. This is based on a percentage of the total bid price, and can only be imposed if the lot has not been swept for six (6) months or more. Otherwise, only the sweeping price shall be levied.

- 2.6.2 Fee charges to sweep lots shall include the entire lot (parking areas).
- 2.6.3 The parking lot sites listed in Attachment A, PRICING, are to include ALL the parking areas and lots within that site. Bidders are encouraged to visit each site listed so as to have a complete understanding of areas of responsibility. Submission of a bid price will be prima facie evidence that the Contractor did, in fact, make a site inspection and is aware of all conditions affecting performance and bid prices.
- 2.6.4 The area between the sidewalk or walls and the parking stop blocks shall also be cleaned, where applicable.
- 2.7 The Contractor shall remove all trash and vacuumed material that has been collected from County property.
- 2.8 **PERFORMANCE:**
 - 2.8.1 In the event the cleaning of the lot or garage is not cleaned to the satisfaction of the County agency, the site shall be re-cleaned at no additional cost to the County. The County authorized representative shall decide if the entire site is to be re-cleaned, or portions thereof.
 - 2.8.2 An inspection report graded by the County representative (See Exhibit 2) will be used as a tool to ascertain the Contractor's performance. The final score after inspection **MUST** be in the 95% or above range. If the score is below this range, the area is considered **UNSATISFACTORY**, and will require re-cleaning at no additional cost to the County.
 - 2.8.3 Two (2) documented incidences within a one year time-line of unsatisfactory performance, and the Contractor shall be required to attend a meeting with the Materials Management Department and FMD to discuss consideration for default of contract as this is indicative of the Contractor's desire not to do business with the County.
- 2.9 The Contractors vacuum/sweeping fleet shall sufficient enough to carry out the requirements listed herein. As part of the County's due diligence, these requirements shall be verified by FMD via a formal inspection after bid submittals and prior to bid award.
- 2.10 The Contractor shall perform the work in a way to minimize disruption to the normal operation of building tenants. Upon completion of work the Contractor is responsible for cleaning and removing from the job site all debris, materials, and equipment associated with the work performed.
- 2.11 The Contractor shall perform lot/garage cleaning duties in such a manner that does not damage County property. In the event damage occurs to Maricopa County property, or any adjacent property by reason of any cleaning services performed under this Contract, the Contractor shall replace or repair the same at no cost to the County. If damage caused by the Contractor has to be repaired or replaced by the County, the cost of such work shall be deducted from the monies due the Contractor.
- 2.14 **INVOICES AND PAYMENTS:**
 - 2.14.1 **The Contractor shall submit two (2) legible copies of their detailed invoice before payment(s) can be made. At a minimum, the invoice must provide the following information:**
 - 2.14.1.1 Company name, address and contact
 - 2.14.1.2 County bill-to name and contact information

- 2.14.1.9 Pricing per unit of purchase
- 2.14.1.10 Extended price

Contractor, at Contractor's own expense, shall purchase and maintain the herein stipulated minimum insurance from a company or companies duly licensed by the State of Arizona and possessing a current A.M. The form of any insurance policies and forms must be acceptable to County.

All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of the Contract is satisfactorily completed and formally accepted. Failure to do so may, at the sole discretion of County, constitute a material breach of this Contract.

Contractor's insurance shall be primary insurance as respects County, and any insurance or self-insurance maintained by County shall not contribute to it.

Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect the County's right to coverage afforded under the insurance policies.

The insurance policies may provide coverage that contains deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall not be applicable with respect to the coverage provided to County under such policies. Contractor shall be solely responsible for the deductible and/or self-insured retention and County, at its option, may require Contractor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

County reserves the right to request and to receive, within 10 working days, certified copies of any or all of the herein required insurance policies and/or endorsements. County shall not be obligated, however, to review such policies and/or endorsements or to advise Contractor of any deficiencies in such policies and endorsements, and such receipt shall not relieve Contractor from, or be deemed a waiver of County's right to insist on strict fulfillment of Contractor's obligations under this Contract.

The insurance policies required by this Contract, except Workers' Compensation, and Errors and Omissions, shall name County, its agents, representatives, officers, directors, officials and employees as Additional Insureds.

The policies required hereunder, except Workers' Compensation, and Errors and Omissions, shall contain a waiver of transfer of rights of recovery (subrogation) against County, its agents, representatives, officers, directors, officials and employees for any claims arising out of Contractor's work or service.

3.5.1 Commercial General Liability:

Commercial General Liability insurance and, if necessary, Commercial Umbrella insurance with a limit of not less than \$1,000,000 for each occurrence, \$2,000,000 Products/Completed Operations Aggregate, and \$2,000,000 General Aggregate Limit. The policy shall include coverage for bodily injury, broad form property damage, personal injury, products and completed operations and blanket contractual coverage, and shall not contain any provision which would serve to limit third party action over claims. There shall be no endorsement or modification of the CGL limiting the scope of coverage for liability arising from explosion, collapse, or underground property damage.

3.5.2 Automobile Liability:

Commercial/Business Automobile Liability insurance and, if necessary, Commercial Umbrella insurance with a combined single limit for bodily injury and property damage of not less than \$1,000,000 each occurrence with respect to any of the Contractor's owned, hired, and non-owned vehicles assigned to or used in performance of the Contractor's work or services under this Contract.

3.5.3 Workers' Compensation:

Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction of Contractor's employees engaged in the performance of the work or services under this Contract; and Employer's Liability insurance of not less than \$100,000 for each accident, \$100,000 disease for each employee, and \$500,000 disease policy limit. (N.B. - \$1,000,000 limits on larger contracts)

Contractor waives all rights against County and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the Workers' Compensation and Employer's Liability or commercial umbrella liability insurance obtained by Contractor pursuant to this Contract.

3.5.4 Certificates of Insurance.

3.5.4.1 Prior to commencing work or services under this Contract, Contractor shall furnish the County with certificates of insurance, or formal endorsements as required by the Contract in the form provided by the County, issued by Contractor's insurer(s), as evidence that policies providing the required coverage, conditions and limits required by this Contract are in full force and effect. Such certificates shall identify this contract number and title.

In the event any insurance policy (ies) required by this contract is (are) written on a "claims made" basis, coverage shall extend for two years past completion and acceptance of Contractor's work or services and as evidenced by annual Certificates of Insurance.

If a policy does expire during the life of the Contract, a renewal certificate must be sent to County fifteen (15) days prior to the expiration date.
